

## ***The Things They Carried* Quote Analysis**

Choose a line/quote/or passage from the novel. It must be something that is both moving and exemplifies a big picture idea/argument/theme from the book.

On a white sheet of computer paper, write the quote neatly and then decorate the page appropriately for line. This can be hand drawn or computer-generated, but must be colorful and neat.

Your job is to convey the meaning of the quote in regards to the theme or idea you have chosen to examine. Consider the emotional impact as well as the rhetoric/language.

On a separate sheet of paper, write a one to two-page analysis of the line or quote. The analysis must be typed using MLA format, 12 pt Times New Roman font.
